### Ngā mihi ki ngā whānau whānui - Greetings to the friends and families of Wakefield School

This week we celebrate "Te wiki o te reo Māori". Te Reo Māori is a taonga we can all share in New Zealand and something we take pride at Wakefield School in growing, promoting and valuing year round for all our people. Te Wiki o Te Reo Māori is still fantastic to focus on what we all can do to celebrate and use te reo Māori during this week. We challenge all of our community to have a go and celebrate te reo Māori at 12pm, on Thursday 14 September. You can kōrero (speak), waiata (sing), pānui (read) and/or visit <https://www.reomaori.co.nz/ideas> for more ideas. Whatever you do, our wero ki a koe (challenge for you) is to have a go at doing it in te reo Māori.

Our tamariki have had some fantastic opportunities to engage with other schools and learning experiences outside of our school over the last two weeks. It is so wonderful to be able to offer such rich learning experiences to our tamariki. Some of the experiences have included tree planting and exploring Coronation Forest, year 5 & 6 kiwi sports, learning volleyball skills and the Room 7 & 8 class trips to Natureland to learn about what they are doing to help with our endangered native birds.

It has also been amazing to see the propagation shed be built by our karearea students over the last few weeks. If you haven't seen their amazing work, make sure you check it out (near the vegetable garden).

Congratulations to all the students in Room 15 who have won this term's "Nude Food Challenge". We hope to keep seeing these awesome healthy and rubbish free lunches in term 4.

As this is the last newsletter before the end of term, we all wish you a wonderful term break with time to connect with your family and friends.

**Freya Hogarth**  
Principal

## ABOVE AND BEYOND

This week we celebrate the following student/s for going above and beyond in and around our school and with their learning:

- ★ **Lucas Ward** – For showing kindness to children from other schools at Kiwisport.
- ★ **Elias Goodwin** – For his amazing progress with reading and writing this term.
- ★ **Gideon Cambridge** – For his improvement with his writing this term.
- ★ **Toby Hadfield & Joel Kindley** – For their motivation with selling fire starters and donating the profit to the school to buy more toys for the sandpit.

# WELL DONE!

## YEAR 7 UPDATE

Our next **Year 7&8 information meeting** for parents and caregivers will be held on **Tuesday 19 September at 6pm in the school library.**

We have had further meetings with the Ministry of Education to ensure our building project proceeds as quickly as possible and we are looking forward to seeing the first iteration of the design of our learning space upgrade. We also have had good news about the Ministry providing some additional funding for purchasing furniture that is specific to our Year 7 students' needs.

Our team has made some great progress on their planning next year and we are finalising the technology equipment we need to purchase before the start of 2024. We are also beginning to get some queries from families of year 6 students currently attending other schools, who are considering a move to Wakefield for Year 7. We are all feeling very excited to be coming closer to opening our first Year 7 class.

## FROM THE OFFICE

**A reminder that all lost property will be taken to a charity shop at the end of this week. Bruce will put out the property on Friday.**

## PETER ROSS AWARD

Congratulations Jake, you have received this award for:

- Being a rangatira (leader) both in and out of the classroom
- Encouraging his peers to follow the school rules and show the school values
- For increased effort in all areas
- For increased focus in all areas
- For making wise choices that help his learning

# WAKEFIELD SCHOOL GALA

It's still several months off but the gala will be here before we know it. Planning is well underway for our School Gala to be held on Saturday, 4<sup>th</sup> November. The gala relies on a lot of volunteers doing a whole lot of little and big jobs both before, on the day, and after the gala.

In 2023 the funds raised at the gala will be used to provide an all-weather surface for the grassy area between the school staffroom and the senior playground. This will provide a safer and more usable area for children especially during the winter months.

## **POSTER/PICTURE COMPETITION**

Next week your child will bring home a poster template and/or they may work on this in class. We would love to see their fantastic artwork displayed advertising the school gala. All completed artwork will go into the draw for some fantastic prizes. These children's winning posters will be enlarged and photocopied to be put on display. And of course, you can photocopy your child's poster and stick it up anywhere you can think of to help us advertise our event.

## **TRASH AND TREASURE**

The school holidays aren't too far away now, which is a great time to have a spring clean – a good sort out. After the holidays, you will be able to drop off books, clothes, garage sale items, plants, soft toys or items to make up mystery bags. We will be collecting these before school next term so look out for more information about that.

## **SPECIFIC REQUESTS**

- \* If you happen to have any paper shopping bags, or packing boxes lying around, we will gladly take these off your hands.
- \* If you have small items to go in the mystery bags such as pencils, hair clips, rubbers, stickers, small toys, we would gratefully receive these at any time
- \* If you are happy to organise and run a kids activity on the day such as temporary tattoos, cow pat grid, or a mini petting zoo, we would love to hear from you asap – please contact Dale.

If you are interested in helping in a particular area, or have an idea you wish to share, or a good/service you can offer, please make contact with one of our fantastic coordinators below.

## LIBRARY

We are running a holiday reading challenge over the holidays. Children can pick up a reading log from the library. Keep a daily record of anything that you read and return it at the beginning of next term to the library.

Everyone who has filled out a form will go into the draw to win one of our fantastic prizes.

## SPORT

### Hockey Tournament

Wakefield sent four teams to the Nelson primary schools year 3-4 hockey tournament yesterday. This is always a fantastic tournament with students able to try a sport they might not have played before. The tournament is held at Saxton Hockey Pavilion on the artificial hockey turf. The year 5-6 tournament is next week. This will be the last tournament of term 3. It has been a really busy term, but Term 4 promises to be just as busy with the inter-school soccer tournament, athletics for the years 3-6 and swimming lessons.

### Summer Sport Registration Form

Please take time to read the information in the online summer sport registration form which was shared with all families. There are several sports available for students to take part in but as registration depends on our ability to form a team we need all forms submitted by the end of the week.

If you require a hard copy or further information, please contact the office or Kathy in the library.

## WACKY HAIR DAY

WOW we raised approximately \$177.00 from Wacky Hair Day!! Thanks to the student council or organising.

## WAKEFIELD SCHOOL AND COMMUNITY SWIMMING POOL

### NOTICE OF ANNUAL GENERAL MEETING

The Wakefield School and Community Pool  
will be holding it's AGM on

**Wednesday the 13th of September 2023 at  
5.30pm in the School Library**

## TRANSITION TO SCHOOL MEETING

### **Wakefield School** **Transition to School Meeting**

**Thursday, September 21<sup>st</sup>: 6.30pm-7.30pm**  
**Wakefield School Library**

If your child is going to attend Wakefield School in the next 6 months, we would encourage you to attend our **transition to school meeting**.

It is an opportunity for you to meet parents of other children starting school, and hear ways you can help your child have a smooth transition.

Please email [mary.mchale@wakefield.school.nz](mailto:mary.mchale@wakefield.school.nz)  
or phone the school office 5418332 if you intend to attend.

## Vision and Hearing Screening in School

**Te Whatu Ora**  
Health New Zealand

Te Whatu Ora Nelson Marlborough Public Health Service provides a vision and hearing service in schools.

As part of the National Screening Program your child will be routinely screened by the Vision and Hearing Technician in their first year of school **only if** your child **has not** had vision and hearing screening completed as part of the B4 School check and in Year 7 they have a further Vision screen. All children tested will take home a result slip. Parents will only be contacted if a referral is required.

**Hearing Screening (Audiometry):** An audiometer plays a range of sounds through headphones while your child listens. If your child does not respond to any of the sounds, another test, Tympanometry will be required. This may identify:

- Otitis Media with effusion (fluid in inner ear)
- Grommets/Perforation of the ear drum
- Wax/Obstruction

If your child has hearing aids or is under specialist care for hearing concerns, we do not screen them.

**Vision Screening:** We use a spot screener, which is an Infrared photo-refractory camera with built in algorithms that determine the results. We may also use the Parr letter matching system, which is where a letter is shown at a four-metre distance and your child will be asked to point out the same on a card or tell us the letter if they know the alphabet. If your child wears glasses or is under specialist care, we do not screen their vision.

\* We do not screen for tracking concerns. This needs to be assessed by an optometrist and you arrange this with an optometrist of your choice.

**Year 7 Vision Screening:** We use a spot screener, which is an Infrared photo-refractory camera with built in algorithms that determine the results. We may also use the New Davis wall chart which is a routine 4 metre distance vision check. If your child wears glasses or is under specialist care, we do not screen their vision.

**Requests:** From time to time a teacher/GP or parent may request a screening test. A result sheet will be sent home with your child. You will be contacted if a referral is required.

**Screening results:** Your child will be given a result sheet to take home. You will be contacted if a referral is required. All results are entered on to the Ministry of Education secure ENROL school database.

**Please note:** If you have concerns with your child's vision and/or hearing please contact your GP or optometrist/ophthalmologist as screening is not a full diagnostic assessment.

Please contact us if you have any questions: **027 246 0679 / 027 277 8413**

**If you *do not* consent to your child having routine/requested Vision and Hearing screening at school, please contact us on the above number.**

# PAY IT FORWARD

Did you know about our new pay it forward initiative? Freya has brought with her a wonderful initiative called "Pay it Forward", this is where you might choose to donate some funds to the school, these funds can then be allocated to children who might miss out on activities (sport, music lessons, counselling etc) or events due to financial hardship. If you would like to contribute you can do so by the following ways:

- Pop into the office and pay cash or eftpos
- Deposit funds via online banking (list as Pay it Forward Donation)
- Kindo – You can add additional donations to your account via your Kindo account.

## Pay It Forward

### Pay It Forward - Donate \$10 to a family in need

This money will go towards items, trips and events that some families find hard to pay for, ensuring no students miss out due to financial hardship. Thank you.
