Ngā mihi ki ngā whānau whānui - Greetings to the friends and families of Wakefield School

Welcome back to the final term for the year. We hope everyone was able to take time to rest and replenish energy over the holiday break. We extend a very warm welcome to all our new families who have joined Wakefield School at the start of this term. Our community is a wonderful community to live and learn in and we hope your time at Wakefield School is a very positive experience.

At the end of term 3 our Kāhui Ako (Community of Learning) held the annual Waimea Cultural Festival. Our representative students at this event put on a fantastic performance and were fabulous representatives of our school. Thank you to all the students involved for the fabulous way you showed our Wakefield School values. The students attending the Cultural Festival were also very lucky to see some amazing performances by the Victory School Kapa Haka groups - ka mau te wehi! They really set the performance bar high for our own students.

At the end of term 4 the Karearea team worked on a fantastic STEAM learning project where they designed and built roller coaster models. Check out some of their amazing work! Mīharo!

In week four (Saturday 28 October - Friday 3 November) we will be hosting the Kapa Haka rōpu from Te Kura Kaupapa o Porirua. The Kapa Haka rōpu will travel to Wakefield by bus and ferry from Porirua. They will be staying onsite and performing at the schools Kapa Haka nationals in Nelson. We are very excited to welcome this kura (school) to our place and look forward to the wonderful cultural exchange we can have with them. There will be more information about their visit and how you can get involved in our next newsletter.

Well done to all our students who represented Wakefield School at the Year 3-4 and Year 5-6 inter school Hockey tournaments at the end of last term. We were so impressed with your team work and positive attitudes and fair play out on the Hockey field. Thank you also for the way you demonstrated our Wakefield School values both on and off the field.

Finally, I would like to thank all our tamariki for the positive start to term 4. It has been great to see such engaged classrooms and positive playground behaviour, haere tonu - keep it up!

Freya Hogarth
Principal

YEAR 7 UPDATE

As we begin term 4 the excitement about starting our inaugural Year 7 class is building. In term 3 our achievements were

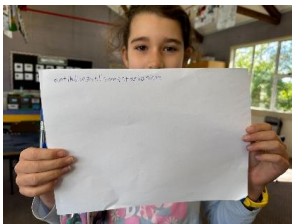

- 2024 planning is underway.
- The term 1 long term plan completed and we already have exciting technology learning plans for term 1.
- Our Year 7 camp is booked for Tōtrarnui week 8 term 1 (18-22 March).
- Confirmed transport provision by the Ministry of Education for our Y5 & 6 students who chose WIS (through until they leave WIS). This will not be able to be accessed by students who choose to begin at WIS in 2026.
- Property development planning is underway and fantastic progress has been made. We expect our technology kitchen that is being developed to be ready for use at the start of 2024 along with a maker space for soft materials, robotics, STEAM learning, art, etc.
- Our Year 7-8 hoodie design and Y7-8 sports uniform designs are underway.

A major focus this term and over the summer holiday break will be preparing our learning spaces. This will include purchasing Year 7-8 furniture that meets the needs of these older learners.

ABOVE AND BEYOND

This week we celebrate the following student/s for going above and beyond in and around our school and with their learning:

- ★ Logan Butler has been an amazing helper in Piwakawaka. He is a wonderful big buddy but goes 'Above and Beyond' with the help that he provides the teacher.
- ★ Maggie Ralfe for her effort to learn a very tricky spelling word. Room 3 students have been tackling the "longest word in the dictionary challenge". Anyone who could say the word *antidisestablishmentarianism* earned one reward point and there were five points up for grabs for anyone who could spell it correctly. Maggie managed to spell it perfectly after just one day of practice. Ka Rawe Maggie!
- ★ Kyla Hemopo for your awesome research and amazing presentation poster.
- ★ Darion Raw for your awesome research and amazing presentation poster.

WELL DONE!

POSITIVE BEHAVIOUR STRATEGY UPDATE

Thank you for all the positive feedback we received last term about our behaviour improvement strategy we began implementing last term. The tone in our school is noticeably calmer and more positive than it was at the beginning of the year. This will be an ongoing piece of work for us, both now and in the future. This term we will continue to embed our term 3 goals which were;

1. Being clear with students, staff and parents what our goals are and how we are working to achieve them.
2. Staff being present and positively engaged on duty and in the wider school environment
3. Consistently responding to challenging behaviour with 30 second scripts, staff respond to the challenging behaviour and leadership team support the staff member by releasing them to respond to the behaviour, and connecting students with another adult who can be a positive mentor and give them a positive space to go to when they are in a downward spiral. (*Our 30 second script reminder: "I notice you are ... It was our rule about ... You have chosen to ... Do you remember yesterday/last week when you ... **That** is who I need to see today. Thank you for listening."*)

This term we are introducing three new goals. These are;

1. Providing [four touch points](#) (*positive adult connections at the start of the day*) to children who need additional support.
2. A focus on ensuring all children understand personal and school boundaries and expectations and these are consistent and predictable schoolwide.
3. A focus on our school value of manaakitanga/respect including; using manners, listening without interrupting and showing respect by making others feel like you care and think they are important.

HATS IN TERM 4

Now that we are in our spring-summer term please remember all children need to be wearing sun smart clothing, sunscreen and wide brimmed hats at school. This week we have been gently reminding students that they need to be wearing a hat when playing outside. From the start of next week, we will be enforcing our "no hat, no play" rule. This means if children aren't wearing a wide brimmed hat, they will play in the shade beside the senior playground. Please remind your child they need to bring their hat to school and wear it every break time.

SPORTS

Summer sport information will be out at the end of this week. We will have teams entered in volleyball, mini-football, touch rugby and basketball 3x3 (numbers permitting). All players are expected to wear a Wakefield School sports top and appropriate footwear.

Please do not pay registration fees until you have been invoiced. When paying, reference your child's name and the sport.

Swimming Lessons

This year there will be no cost attached to the swimming lessons but they will be compulsory for all students. The lessons will be done in two, 2-week blocks. Students will need to bring their togs every day for the two weeks, and long hair should be tied back. Goggles are recommended but not compulsory. Swimming lessons are held in the school pool during school time and will be run by the ASB swim magic instructors.

Swimming Lesson Dates

Years 3 – 6 Monday 13th- Friday 24th November
NE – Year 2 Monday 4th – Friday 15th December

If you have any togs (boys or girls – all sizes) in good condition that your children have grown out of, could you please donate these to the school. We like to have a supply during swimming lessons.

PARENT EDUCATION OPPORTUNITY : READING TOGETHER COURSE

Is your child setting out on their journey of learning to read?
Are you unsure about how you can help?

We will be running a 'Reading Together' set of workshops aimed at helping parents to support their child with learning to read this term. This will consist of three workshops run in the library from 9.00 -10.00 on Friday mornings beginning on October 20

The workshops are highly recommended for parents.

Workshop 1	Week 3	Friday	October 20
Workshop 2	Week 4	Friday	October 27
Workshop 3	Week 5	Friday	November 3

If you are interested or would like some more information please contact Mary McHale at mary.mchale@wakefield.school.nz.

WAKEFIELD SCHOOL GALA

Saturday 4 November, 3:00pm – 6:30pm

ONLY FOUR WEEKS UNTIL THE WAKEFIELD SCHOOL TWILIGHT GALA!!!

If you haven't put your name down to help out on the day, don't delay. Get involved by contacting one of our coordinators below, complete the online form emailed out yesterday or complete your Assistance Form [attached] – a hard copy of this will also come home with your child this week. We need all the helpers we can get...

WEEKLY DRAW

From this Thursday we will be accepting donations of books, clothes, garage sale items, plants, soft toys or items to make up mystery bags. These can be dropped off before school, after 8.30am at the little garage beside the school hall. For dropping off these items, your child will get their name entered into our weekly prize draw.

ASSISTANCE FORM

The gala is a huge undertaking and without the generous support from families and the community we would not be able to offer such fun activities, yummy food or fabulous stalls. If every family helps in some small way, it lightens the load for everyone. It is with this in mind that we ask if you are able to assist us with any of the following:

FAMILY / COMMUNITY INVOLVEMENT IN THE GALA

WAYS YOU CAN HELP	DETAILS	YES
I/We own or work for a business that can sponsor one of the food stalls or kids activities, or something else for the gala		
I/We can donate an item for the silent auction		
I/We can help make phone calls/send emails to seek donations for the silent auction		
I/We have a great idea for a new kids activity and are happy to organize and run it such as: - temporary tattoos		
I/We are happy to coordinate one of the following areas: - entertainment - security on the gates - chocolate wheel - gluten free food		
I/We can provide hay bales or other seating for the entertainment area		
I/We can donate baking or produce for sale on stalls [NB This needs to be delivered to school before gala day]		
I/We could make some toffee apples or other novelty kids food items for sale on stalls [NB This needs to be delivered to school before gala day]		
I/We can donate whitebait or provide some lamb or pork to be used in the food stalls		
I/We can donate produce eg eggs, potatoes, cabbage, carrots, apples to be used to make food or for the produce stall		
I/We can help with setting up for the gala – usually in the morning of gala day eg putting up gazebos, laying out items for sale		
I/We can help with packing up after the gala - this will be from 6:30pm		
I/We are happy to assist with manning a stall – either for the whole time or for just half the gala [1 st shift 2.45-4.45, 2 nd shift 4.45-6.45]		
I/We wish to help in some other way		

We would appreciate it if you could indicate above if you are able to assist us in any way.

We ask that this form please be returned to the school office as soon as possible

Once received, a member of the organising committee will be in contact with you.

Thank you so much for your support.

Vision and Hearing Screening in School

Te Whatu Ora
Health New Zealand

Te Whatu Ora Nelson Marlborough Public Health Service provides a vision and hearing service in schools.

As part of the National Screening Program your child will be routinely screened by the Vision and Hearing Technician in their first year of school **only if** your child **has not** had vision and hearing screening completed as part of the B4 School check and in Year 7 they have a further Vision screen. All children tested will take home a result slip. Parents will only be contacted if a referral is required.

Hearing Screening (Audiometry): An audiometer plays a range of sounds through headphones while your child listens. If your child does not respond to any of the sounds, another test, Tympanometry will be required. This may identify:

- Otitis Media with effusion (fluid in inner ear)
- Grommets/Perforation of the ear drum
- Wax/Obstruction

If your child has hearing aids or is under specialist care for hearing concerns, we do not screen them.

Vision Screening: We use a spot screener, which is an Infrared photo-refractory camera with built in algorithms that determine the results. We may also use the Parr letter matching system, which is where a letter is shown at a four-metre distance and your child will be asked to point out the same on a card or tell us the letter if they know the alphabet. If your child wears glasses or is under specialist care, we do not screen their vision.

* We do not screen for tracking concerns. This needs to be assessed by an optometrist and you arrange this with an optometrist of your choice.

Year 7 Vision Screening: We use a spot screener, which is an Infrared photo-refractory camera with built in algorithms that determine the results. We may also use the New Davis wall chart which is a routine 4 metre distance vision check. If your child wears glasses or is under specialist care, we do not screen their vision.

Requests: From time to time a teacher/GP or parent may request a screening test. A result sheet will be sent home with your child. You will be contacted if a referral is required.

Screening results: Your child will be given a result sheet to take home. You will be contacted if a referral is required. All results are entered on to the Ministry of Education secure ENROL school database.

Please note: If you have concerns with your child's vision and/or hearing please contact your GP or optometrist/ophthalmologist as screening is not a full diagnostic assessment.

Please contact us if you have any questions: **027 246 0679 / 027 277 8413**

If you *do not* consent to your child having routine/requested Vision and Hearing screening at school, please contact us on the above number.

PAY IT FORWARD

Did you know about our new pay it forward initiative? Freya has brought with her a wonderful initiative called "Pay it Forward", this is where you might choose to donate some funds to the school, these funds can then be allocated to children who might miss out on activities (sport, music lessons, counselling etc) or events due to financial hardship. If you would like to contribute you can do so by the following ways:

- Pop into the office and pay cash or eftpos
- Deposit funds via online banking (list as Pay it Forward Donation)
- Kindo – You can add additional donations to your account via your Kindo account.

Pay It Forward

Pay It Forward - Donate \$10 to a family in need

This money will go towards items, trips and events that some families find hard to pay for, ensuring no students miss out due to financial hardship. Thank you.

\$10.00

Pay It Forward - Donation \$20

This money will go towards items, trips and events that some families find hard to pay for, ensuring no students miss out due to financial hardship. Thank you.

"We have had the pleasure of being a homestay family for 7 students so far. Not only are we extending our family by forming bonds with these beautiful students, whom we are still in contact with on a regular basis, but we are having the joy of seeing our own country which we took for granted, through the eyes of someone else, and creating amazing memories for us all. If you are able to open your home and your heart to a student, I would highly recommend the opportunity. Hayley and the team will support you along your journey and many of us existing families are here to help."
